

PinkHippy.org

is a 501(c)(3) non-profit organization that is committed to providing **free** holistic services and support to local breast cancer patients, survivors and their families. While yoga classes, oncology massage and other forms of complementary therapy for cancer patients are readily found in Boston and in western MA these services are virtually non-existent in central MA. ***PinkHippy.org was formed to help fill this void.***

Our current programs include **Restorative Yoga** for Breast Cancer, **Oncology Massage**, **Meditation**, **Reiki**, and **Music & Art Therapy**, all are offered at no charge to cancer patients.

Our Annual Integrative Therapies Expo will be held on Sunday, September 17th at the Sturbridge Host Hotel & Conference Center, Sturbridge MA. This event is designed to introduce the different modalities that are used in conjunction with traditional treatment to enhance healing and bring comfort and relaxation to those dealing with cancer and other serious illnesses.

It is through the generosity of our donors and sponsors that this event, along with our other programs, is made possible.

Please join us by supporting the services provided for patients and their caregivers in the local community with your sponsorship.

***Your donation makes a difference!***

PinkHippy.org is an all volunteer organization; there are no salaries, perks or bonuses. Every penny that is raised helps to subsidize the cost of services and fund the programs that are offered. Your donation is tax deductible to the extent allowed by the IRS.
