

2024 Integrative Therapies Expo

Our 8th Annual Integrative Therapies Expo will be held on Sunday October 20 , 2024 at The Elks Lodge in Auburn MA. This event is designed to introduce different modalities such as oncology massage, reflexology, restorative yoga, meditation, and music & art therapy to those dealing with cancer and other serious illnesses. These complementary therapies are used in conjunction with traditional treatments to reduce side effects, bring comfort and relaxation, and enhance healing for improved outcomes.

It is through the generosity of our donors and sponsors that this event, which is free and open to the public, is made possible. Please join us by supporting the services provided for patients and their caregivers in our local communities with your sponsorship.

Your donation makes a difference!

PinkHippy.org is a 501(c)(3) non-profit organization that is committed to providing free integrative therapies, services and support to local cancer patients, survivors and their families, with a concentration on those with breast cancer. While some forms of complementary therapy are readily found in the Boston area these services have been virtually non-existent in south central MA, northeastern CT and northwestern RI. *PinkHippy.org was formed to help fill this void.* Our current programs include *Restorative Yoga for Cancer Patients and Survivors, Oncology Massage, Reflexology, Meditation, Reiki, Music & Art Therapy, and a Support Group for Family Members and Caregivers.*

PinkHippy.org is an all volunteer organization; there are no salaries, perks or bonuses. Every penny that is raised helps to subsidize the cost of services and fund the programs that are offered. Your donation is tax deductible to the extent allowed by the IRS.

Serving those in South Central Massachusetts, NE Connecticut, NW Rhode Island and beyond
